**Dear Parents and Caregivers,**

A very busy and productive term concludes this week with our Sports Day events. Students are looking forward to these activities with much excitement and all families are invited to come along and support the day. Thank you to everyone who was able to attend the recent parent – teacher interviews. The presence of supportive school and home partnerships are crucial in assisting children’s progress.

Our Year 6 and 7 students returned home last Friday from their week long trip to Canberra. This camp provided a fantastic experience for all students and they are to be commended on their behaviour and enthusiasm during this time. The week’s itinerary was very full and students had the opportunity to visit Parliament House, the War Memorial, the Mint, Australian Institute of Sport and learn about the concepts of democracy and voting. A special thanks must go to the Upper Primary teachers who facilitated this opportunity for our students as it requires much time and effort to plan and run a camp. Our parent helpers also provided fantastic support during the week.

As well as camp, throughout the term our school has benefited from much parent help and on behalf of all teachers, we thank you for your support of class activities. We look forward to another great term ahead for our school in Term 2, with notable activities being the Year 6 and 7 musical performance and the Year 1 and 2 classes holding their joint concert, both of which are being held at the Sir Robert Helpmann Theatre.

**School Canteen Service**

From next term we are going to trial out-sourcing a canteen service for our students. The service will be provided by the managers of the Mulga St canteen and

will involve families ordering online. This will be the only ordering option for families due to the issues with money handling across two schools. Ordering will be carried out through an app that can be downloaded onto a device (information on how to do this has been provided in the newsletter). The menu options for students is very thorough and the orders will be delivered to the school through the help of parent volunteers; we are very grateful for the parents who have offered to assist. The food orders will be delivered to the school in insulated boxes that are compliant with food handling guidelines (this has been checked with the City Council). Due to the Mulga St canteen managers being concerned about their ability to cater for large volumes of orders, they requested that the service be split across two days. Classes in Rms 1, 2, 3, 4, 5, 6, 7, 22, 23, 24 and 25 will be able to order on Wednesdays only and classed in Rms 8, 9, 10, 11, 12, 13, 15, 17, 18 and 20 will only be able to order on Thursdays. Whilst we acknowledge that this is not ideal, it will provide a starting point for our school, with the effectiveness of the service to be reviewed at the end of the term. The canteen service will commence in Week 2 of next term however prior to this, families can download the app and register their child in readiness for when the service becomes available.

Past student, Joseph McMahon, was recently presented with the Sue Mouat memorial music passion award by her brother Andrew Laub.

## 2016 Sue Mouat Passion in Music Award

As part of our Year 7 graduation, we present the Sue Mouat memorial music passion award. Ms Mouat was a passionate music teacher at Reidy Park and had a love for giving all students the opportunity to be involved with music. This award is presented to a year 7 student who shows passion for music at Reidy Park. It is not essential for this student to excel in their music field but they need to show a dedication and a passion for learning music. Unfortunately the perpetual trophy was not available at the end of last year for the graduation ceremony but has now arrived at the school and was recently presented to last year's winner Joseph McMahon. Joseph was a student who was heavily involved in the Performing Arts program at Reidy Park but had a particular passion for playing the saxophone. He certainly excelled with his instrument and was a very worthy winner of the award.

This award has been kindly donated by Mr Andrew Laub who is the brother of the late Ms Sue Mouat. When presenting the award, Mr Laub talked about his memories of Ms Mouat and her love of teaching music and helping students, even in the later part of her life. He was proud that the winner of this award reflected the same passion for music that his sister, Ms Mouat, showed.

The trophy is proudly displayed in the front office.

## Reminders

- Early dismissal Thursday 13th April at 2.30pm

## Auskick 2017

In Term 2, the Reidy Park Auskick program kicks off for all registered Reception to Year 2 students. A red note with steps to register for this program went

home in week 9 with all R-2 students. If your child would like to be a part of this fun program, they will participate in football skill activities each Tuesday from week 2 to week 10 from 3:30pm-4.30pm on the oval.

Thank you to our Auskick Parent Committee for your ongoing support for 2017. Auskick is run by parent volunteers, and their support and efforts have made the Auskick program a success at Reidy Park each year. If you would like to be a part of our parent committee or would like to assist with the program each week, please email Liana in regards to your interest along with your contact number ([Liana.Hrvatins383@schools.sa.edu.au](mailto:Liana.Hrvatins383@schools.sa.edu.au)). No football knowledge is required to volunteer!

A big thank you also must be made to *She's Apples Mount Gambier*, who will kindly be donating fresh fruit for the children to take home after each Auskick session to refuel and encourage healthy eating habits.

See you on the oval!

*Liana Hrvatin and Lauren Suggate, Auskick Coordinators*

## Reception-One Inquiry Unit Boandik Culture

Reception and Year One students from Room 22, 23, 24 and 25 attended a Boandik Culture workshop in week 10 with Auntie Michelle, a local Boandik Cultural Elder. The children learnt about traditional ways of life, the language of the Boandik people, and the

importance of symbols to tell stories and record histories. The children admired the cloak that Auntie Michelle displayed and learnt about the meaning of the symbols on the cloak. They enjoyed passing around the possum ball, snake clapping, practicing the language of Bunganditj and participating in traditional dance and song.

## T-Ball

Mr McShane and the Reidy Park student T-ballers would like to thank Heidi Coombe and Michael and Kelly Hillstone for coaching the T-ball teams throughout Term 1. Without parent help our children would not get the opportunity to play so we greatly appreciate it.

## Ooshies

Ooshies (pencil topper characters in the theme of super heroes) appear to be the latest fad that some of our students have started collecting and bringing to school. Please reinforce to your child that trading of these items at school is not appropriate as it can lead to arguments (like other toys/items brought to school, our preference is for them to remain at home). Please also use this as an opportunity to talk with your child about the importance of showing responsible behaviours and safe decision making when new trends arise.

## String Orchestra Visit

On Wednesday 25th April the DECD student string orchestra performed for us at Reidy. All Junior Primary classes attended as part of their music lessons. They have been looking at orchestras and different musical instrument families over the last few weeks in class. Other students from Reidy Park also attended. We were especially proud of some of our music students who joined the orchestra in playing several songs. The orchestra is made up of 47 students from 25 DECD schools. They explained the different musical instruments and showed us how each one worked. It was an inspiring concert and our students were thoroughly entertained.
